**Job Description:**  
**RN/LPN/Infusion Nurse**  
**Full Time for Integrative MD Medical Practice**

*Position Summary:*

This is a highly visible position in an Integrative Medicine Practice that offers the best of traditional and alternative medicine. Individual will interact with patients and must project a positive professional image at all times, and maintain an upbeat positive attitude in all interactions with patients and co-workers. Individual must ensure appropriate communication and confidentiality at all times.

*Details:*

Assist with all aspects of patient care under the direction of a physician or other licensed professionals. Assist in examination and treatment of patients. Work under physician and RN to prepare IV bags, administer IV's and other therapies and treatments. Assist with patient check in/check out procedures, collect patient interview data, obtain vital signs and record in patient charts. Perform various lab procedures according to set standards. Collect and prepare blood, urine, hair, and saliva samples for testing, disposal, and shipping. File patient test results in charts. This is a full-time position with flexible hours, Monday- Friday, and one Saturday per month.

*Preferred Qualifications:*

- Previous experience in an alternative medicine practice is a plus
- RN or LPN, IV certified preferred
- Two or more years of experience working in a fast pace medical practice
- Proficient phlebotomy skills is a MUST
- PC/Windows (Microsoft Office) proficiency is a MUST
- Ability to function efficiently in a fast pace environment
- Ability to communicate effectively and compatibly with physicians, coworkers, and employees in other departments
- Willingness to assign high priority to patient comfort and satisfaction
- Detail oriented, ability to prioritize tasks efficiently
